Animal data worksheet

Note: Our data request is separated into two components—Received and Outcomes.
For the purposes of establishing data integrity of information, we have included an on-hand (in care) count on January 1 and an on-hand (in care) count on December 31. **Consequently, your Total Animals Received MUST equal your Total Animal Outcomes.** *Your application may not be considered for funding if the data submitted is not correct.*

Animals received

On-hand Jan 1st	Strays	Owner surrenders	Transfers from other orgs	Other	**TOTAL received**
101	141	93	91		426

Animal outcomes

Adopted	Returned to owner	Transferred out to other orgs	Euthanized	Died in care	Other	On-hand Dec 31st	**TOTAL outcomes**
286	6	3	2	29		100	426
