

Animal data worksheet

Note: Our data request is separated into two components—Received and Outcomes.

For the purposes of establishing data integrity of information, we have included an on-hand (in care) count on January 1 and an on-hand (in care) count on December 31. **Consequently, your Total Animal Received MUST equal your Total Animal Outcomes.** *Your application may not be considered for funding if the data submitted is not correct.*

Animals received

On-hand Jan 1st 2017	Strays	Owner surrenders	Transfers from other orgs	Other	TOTAL received
148	338	59	126		671

Animal outcomes

Adopted	Returned to owner	Transferred out to other orgs	Euthanized	Died in care	Other	On-hand Dec 31st 2017
429	10	25	3	21		183

Received information:

1. On-hand (in care) as of January 1 (This number equals those animals that your organization has in your facility, if applicable, any rented or other facility operated by you, any boarding facility, plus those in foster homes, for which your organization is legally responsible.) This is your beginning animal count for the year.
2. Stray animals
3. Owner surrenders
4. Transfers in from other organizations
5. Other (we would expect that this number would be very minimal)
6. Total annual received/cared for during the year (the sum of items 1 – 5 above)

Important: Total received/cared for includes your on-hand (in care) as of January 1

Outcome information:

7. Adopted
8. Returned to owner
9. Transferred out to other organizations
10. Euthanized **
11. Died in care **
12. Other ** (we would expect that this number would be very minimal and include dispositions like escaped from care or other unusual situations)
13. On-hand ** (in care) on December 31 (your ending animal count for the year)
14. Total annual outcomes for the year (the sum of items 7 – 13 above)

Important: Total outcomes includes your on-hand (in care) on December 31

** If any of these categories is a significant percentage of Total annual outcomes, please provide an explanation in the “Other information” box near the end of the application.

Please see full grant instructions for additional information.
